ACKNOWLEDGEMENT

It is a great pleasure for us to acknowledge the help of many individuals without the help of those this mini project work would not have been fruitful. We owe a dept of gratitude to **NAVKIS College of Engineering, Hassan** for providing us an opportunity to carry out our mini project.

We would like to express our special thanks of gratitude to our respected Chairman, **Sri. M. R. Anandram** who gave us the golden opportunity to do this project,

We would like to have the pleasure of acknowledging the individuals at our institution for their help. With immense pleasure, we would like to thank our college in general and beloved principal, **Dr. H S Mohana**, in particular, for excellent facilities provided in the laboratory.

We pay our respect to, **Dr. A N Myna**, the Head of the Department, Computer Science and Engineering, who has given us the moral support in successful completion of our project.

We wish to thank our guide **Ms. Sunita**, Assistant Professor, Department of Computer Science and Engineering, for their continuous support and advice during the course of our project and during the period of our stay in institute.

Also, We would like to express our gratitude to websites that we have referred in due course of seeking the latest information to enhance the power of our project topic to meet the latest trends.

We would also like to thank all our friends & family who always encouraged us to increase our potentials and our lab instructors and librarian for supporting us by providing the lab facilities and library whenever needed.

MADHAN HK (4YG19CS009)

NISHMA AA (4YG19CS011)
